Twisty, gritty and evocative, *No Prisoners* by Ellis Blake blends heart-pounding suspense with an emotionally resonant, razor-sharp exploration of grief, set against an unforgiving, icy landscape.

One page in and hooked immediately!! Ellis Blake delivers thriller writing at its best - real characters, atmosphere and a setting so brilliantly described you can feel the cold - this stands up alongside the best in the business (maybe even head and shoulders above) - Nicola Faisandier, Hachette Aotearoa NZ

No Prisoner - Cunningly brilliant and cleverly executed! - Sharon Galey, Hachette Aotearoa NZ

*Clara and Seb are about to fall in love.
They don't know it yet.
But everybody else does.*

From the author of the beloved *Isaac and the Egg*.

"I loved, loved, loved this book. So relatable, real and human. Bobby Palmer is now officially my favourite author and I think this will be my book of the year!!". - Nicola Faisandier, Senior Sales Manager, NZ

What A Book. This is going to be a tough one to knock off my top spot for 2026. It reminded me of first reading *One Day* so many years ago. *Main Characters* is also something very special and so very unique.' - Angie Williams, Sales & Product Manager, NZ

'Bobby Palmer is a master of storytelling - *Main Characters* will pull you in, hold you close and have you utterly obsessed with Seb and Clara ♥' - Dom Visni, Editor Moa Press NZ

'I wanted to both inhale and to savour *Main Characters* in equal amounts. The kaleidoscopic storytelling is impeccably done and feels utterly unique. I loved it and it remains one of my books to beat in 2026.' - Maiko Lenting-Lu, Product Manager NZ

'Moving, funny, wise and beautifully written.' - Joanna Cannon
'Gorgeous, clever, utterly addictive.' - Pandora Sykes

A joyously absurd and absurdly joyous exploration of marriage and parenthood, the nature of belief and the power of stories, and the ways in which we find connection in an increasingly fragmented world.

9780349727684 21/07/2026 Cool Machine: The Harlem Trilogy Bk 3 Whitehead, Colson T 37.99 Fleet

9 780349 727684

With his usual pitch-perfect prose, Whitehead paints a portrait of a city in transition in 1981, as New York begins to emerge from financial ruin and decline. In a dazzling display of imagination, *Cool Machine* roves all over the city, to show that in New York, and in the lives of Whitehead's vivid characters, it's what's below the surface that reveals the truth.

From the #1 *New York Times* bestselling author and two-time Pulitzer Prize winning author.
